Help us Move In, Inc. (HUMI) is **celebrating nearly 20 years** of helping over **2,500 children** in Thurston County to **escape homelessness**. In partnership with the Family Support Center, which identifies and provides services to families experiencing a housing crisis, HUMI's average cost per child is \$153 to move a family **HOME**. For this concert and through the month of April, **every dollar raised will be matched**, so your \$153 gift will help **TWO** children escape homelessness! You will be partnering with us to continue helping children become **HOMELESS NO MORE**.
